Explanatory Note

This report amends our Current Report on Form 8-K filed on March 29, 2017 (the "Original 8-K"). This Form 8-K/A is being filed to include the Commitment Letter entered into in connection with the Merger Agreement. Defined terms in this Form 8-K/A shall have the meanings ascribed to such terms in the Original 8-K.

Item 1.01 Entry into a Material Definitive Agreement

The paragraph under the header "Commitment Letter" in Item 1.01 of the Original 8-K is hereby amended and restated as follows:

Commitment Letter

In connection with the Merger Agreement, MaxLinear entered into a debt commitment letter (the "Commitment Letter"), dated as of March 28, 2017, with JPMorgan Chase Bank, N.A. ("JPMCB"), Deutsche Bank AG New York Branch ("DBNY" and, together with JPMCB, the "Initial Lenders") and Deutsche Bank Securities Inc. ("DBSI"), pursuant to which the Initial Lenders have committed to provide a secured term loan facility in an aggregate principal amount of up to \$425,000,000, subject to the satisfaction of certain customary closing conditions (the "Debt Financing"). The facilities are available (i) to finance the Merger, refinance certain existing indebtedness of Exar and its subsidiaries, and fund all related transactions, (ii) to pay fees and expenses incurred in connection therewith and (iii) for working capital and general corporate purposes. Under the terms of the Commitment Letter, the JPMCB and DBSI will act as joint lead arrangers and joint bookrunning managers in connection with the Debt Financing. The definitive documentation governing the Debt Financing has not been finalized, and, accordingly, the actual terms may differ from the description of such terms in the Commitment Letter. The foregoing description of the Commitment Letter does not purport to be complete and is qualified in its entirety by reference to the Commitment Letter, a copy of which is filed herewith as Exhibit 10.1 and is incorporated by reference herein.

Commitment Letter

Ladies and Gentlemen:

MaxLinear, Inc. (“*you*” or the “*Borrower*”) has advised JPMorgan Chase Bank, N.A. (“*JPMCB*”) Deutsche Bank AG New York Branch (“*DBNY*”) and Deutsche Bank Securities Inc. (“*DBSI*”, and together with JPMCB and DBNY, the “*Commitment Parties*”, “*we*” or “*us*”) that you intend to acquire (the “*Acquisition*”) an entity identified to us as “Eagle” (the “*Target*”; the Target collectively with its subsidiaries, the “*Acquired Business*”). The Acquisition will be effected through (i) the purchase of shares of common stock of the Target by a newly formed wholly-owned subsidiary of the Borrower (“*Merger Sub*”) in the Offer (as defined in the Acquisition Agreement (as defined below)) and (ii) promptly following the completion of the Offer, the merger (the “*Merger*”) of Merger Sub with and into the Target pursuant to Section 251(h) of the General Corporation Law of the State of Delaware, with the Target surviving the Merger as your direct or indirect wholly-owned subsidiary (the date of consummation of the Merger, the “*Merger Closing Date*”). The Borrower, the Acquired Business and their respective subsidiaries are sometimes collectively referred to herein as the “*Companies*”.

You have also advised us that in connection with the Acquisition you intend to incur an aggregate principal amount of \$425.0 million of senior secured term B loans (the “*Term B Loan Facility*”). The Acquisition, the Refinancing (as defined in Annex II), the entering into and funding of the Term B Loan Facility and all related transactions (including the payment of fees and expenses in connection therewith) are hereinafter collectively referred to as the “*Transactions*”. The date of the consummation of the Merger and funding of the Term B Loan Facility is referred to herein as the “*Closing Date*”.

1. **Commitments.** In connection with the foregoing, (a) each of JPMCB and DBNY is pleased to advise you of its several and not joint commitment to provide 75% and 25% respectively of the principal amount of the Term B Loan Facility (in such capacities, the “*Initial Lenders*”), subject only to the conditions set forth in paragraph 5 hereto; and (b) each of JPMCB and DBSI is pleased to advise you of its willingness, and you hereby engage JPMCB and DBSI to act as joint lead arrangers and joint bookrunning managers (in such capacities, the “*Lead Arrangers*”) for the Term B Loan Facility,

and in connection therewith to form a syndicate of lenders for the Term B Loan Facility (collectively, the “**Lenders**”), in consultation with you and reasonably acceptable to you. It is understood and agreed that (x) JPMCB shall have “top left” placement in any listing of the Lead Arrangers, (y) JPMCB shall act as administrative agent for the Term B Loan Facility (in such capacity, the “**Administrative Agent**”) and (z) JPMCB may perform its responsibilities hereunder as a Lead Arranger through its affiliate, J.P. Morgan Securities LLC. Notwithstanding anything to the contrary contained herein, the commitments of the Initial Lenders with respect to the initial fundings of the Term B Loan Facility will be subject only to the satisfaction (or waiver by the Initial Lenders) of the conditions precedent set forth in paragraph 5 hereof. All capitalized terms used and not otherwise defined herein shall have the same meanings as specified therefor in Annexes I and II hereto (the “**Summary of Terms**”).

You agree that no other agents, co-agents, arrangers or bookrunners will be appointed, no other titles will be awarded and no compensation (other than compensation expressly contemplated by this Commitment Letter and the Fee Letter referred to below) will be paid to any Lender expressly in order to obtain its commitment to participate in the Term B Loan Facility unless you and we shall so agree.

2. **Syndication.** The Lead Arrangers intend to commence syndication of the Term B Loan Facility promptly after your acceptance of the terms of this Commitment Letter and the Fee Letter (as hereinafter defined). Without limiting your obligations to assist with syndication efforts as set forth herein, it is understood that the Initial Lenders’ commitments hereunder are not conditioned upon the syndication of, or receipt of commitments or participations in respect of, the Term B Loan Facility and in no event shall the commencement or successful completion of syndication of the Term B Loan Facility constitute a condition to the availability of the Term B Loan Facility on the Closing Date. You agree, until the Syndication Date (as hereinafter defined), to actively assist, and, to the extent provided for in the Acquisition Agreement, to use your commercially reasonable efforts to cause the Acquired Business to actively assist, the Lead Arrangers in achieving a syndication of the Term B Loan Facility that is reasonably satisfactory to the Lead Arrangers and you; *provided* that, notwithstanding the Lead Arrangers’ right to syndicate the Term B Loan Facility and receive commitments with respect thereto, it is agreed that (i) syndication of, or receipt of commitments or participations in respect of, all or any portion of an Initial Lender’s commitment hereunder prior to the date of the consummation of the Acquisition and the date of the initial funding under the Term B Loan Facility shall not be a condition to such Initial Lender’s commitment and (ii) (a) except as you in your sole discretion may otherwise agree in writing, no Initial Lender shall be relieved, released or novated from its obligations hereunder (including its obligation to fund the Term B Loan Facility on the Closing Date) in connection with any syndication, assignment or participation of the Term B Loan Facility, including its commitment in respect thereof, until after the initial funding of the Term B Loan Facility has occurred; (b) no assignment or novation shall become effective with respect to all or any portion of any Initial Lender’s commitment in respect of the Term B Loan Facility until after the initial funding of all of the Term B Loan Facility; and (c) each Initial Lender shall retain exclusive control over all rights and obligations with respect to its commitment in respect of the Term B Loan Facility, including all rights with respect to consents, modifications, supplements, waivers and amendments, until the Closing Date has occurred and the initial funding under the Term B Loan Facility has been made. Such assistance shall include (a) your providing and (subject to customary non-reliance agreements) using commercially reasonable efforts to cause your advisors to provide, and, to the extent provided for in the Acquisition Agreement, using your commercially reasonable efforts to cause the Acquired Business, its subsidiaries and its advisors to provide, the Lead Arrangers upon request with all customary and reasonably available information reasonably deemed necessary by the Lead Arrangers to complete such syndication, including, but not limited to (x) customary and reasonably available information relating to the Transactions as may be reasonably requested by us (including the Projections (as hereinafter defined) and (y) customary forecasts prepared by management of the Borrower of balance sheets, income statements and cash flow statements for each fiscal quarter for the first twelve months following the Closing Date and for each year commencing with the first fiscal year following the Closing

Date and for each of the succeeding fiscal years thereafter through the fiscal year ended December 31, 2021; (b) your assistance in the preparation of a customary information memorandum with respect to the Term B Loan Facility (an “**Information Memorandum**”) and other customary materials to be used in connection with the syndication of the Term B Loan Facility (collectively with the Summary of Terms and any additional summary of terms prepared for distribution to Lenders, the “**Information Materials**”); (c) your using commercially reasonable efforts to ensure that the syndication efforts of the Lead Arrangers benefit from your existing lending relationships, if any, and, to the extent provided for in the Acquisition Agreement, the existing banking relationships of the Acquired Business; (d) your using commercially reasonable efforts to obtain, prior to the launch of syndication of the Term B Loan Facility, monitored public corporate credit or family ratings (but not any specific rating) for you after giving effect to the Transactions and ratings of the Term B Loan Facility from Moody’s Investors Service, Inc. (“**Moody’s**”) and Standard & Poor’s Ratings Group, a Standard & Poor’s Financial Services LLC business (“**S&P**”) (collectively, the “**Ratings**”); (e) until the later of the Syndication Date and the Closing Date, your ensuring, and with respect to the Acquired Business, using your commercially reasonable efforts to ensure, to the extent not in contravention of the Acquisition Agreement, that none of the Companies shall syndicate or issue, attempt to syndicate or issue, or announce or authorize the announcement of the syndication or issuance of, any debt of the Companies (other than the Term B Loan Facility), in each case, that would materially and adversely affect the primary syndication of the Term B Loan Facility without the prior written consent (not to be unreasonably withheld) of the Lead Arrangers (it being understood that borrowings under ordinary course short term working capital facilities and ordinary course capital lease, purchase money and equipment financings of any of the Companies, other indebtedness of the Acquired Business permitted to be outstanding or issued under the Acquisition Agreement shall be permitted); and (f) your making appropriate officers of you, and, to the extent provided for in the Acquisition Agreement, using your commercially reasonable efforts to make the appropriate officers of the Acquired Business, available from time to time upon reasonable advance notice to attend and make presentations regarding the business and prospects of the Companies and the Transactions at a reasonable number of meetings of prospective Lenders at mutually agreed upon times and locations. Notwithstanding anything to the contrary contained in this Commitment Letter or the Fee Letter or any other letter agreement or undertaking concerning the financing of the Transactions to the contrary, neither the obtaining of the Ratings referenced above nor the compliance with any of the other provisions set forth in clauses (a) through (f) above or any other provision of this paragraph shall constitute a condition to the commitments hereunder or the funding of the Term B Loan Facility on the Closing Date. Your obligations under the Commitment Letter and Fee Letter to use commercially reasonable efforts to cause the Acquired Business or its management to take (or to refrain from taking) any action will not require you to take any action that is in contravention of, or terminate, the terms of the Acquisition Agreement.

It is understood and agreed that the Lead Arrangers will manage and control all aspects of the syndication of the Term B Loan Facility in consultation with you, including any titles offered to prospective Lenders (subject to your consent rights set forth herein and your rights of appointment set forth in Section 1), when commitments will be accepted, the final allocations of the commitments among the Lenders and the amount and distribution of the fees among the Lenders. It is further understood that the Initial Lenders’ commitments hereunder are not conditioned upon the syndication of, or receipt of commitments in respect of, the Term B Loan Facility and in no event shall the commencement or successful completion of syndication of the Term B Loan Facility constitute a condition to the availability of the Term B Loan Facility on the Closing Date.

3. Information Requirements. You hereby represent and warrant (prior to the Closing Date, with respect to Information relating to the Acquired Business, to your knowledge) that (a) all written factual information, other than Projections (as defined below), budgets, estimates and other forward-looking information or information of a general economic or industry nature, that has been or is hereafter made available to the Lead Arrangers or any of the Lenders by or on behalf of you or any of

your representatives in connection with any aspect of the Transactions (including, prior to the Closing Date, such information, to your knowledge, relating to the Acquired Business) (the “**Information**”), together with your filings with the Securities and Exchange Commission and the filings with the Securities and Exchange Commission of the Acquired Business, is and will be correct when taken as a whole, in all material respects, and does not and will not, taken as a whole, contain any untrue statement of a fact or omit to state a fact necessary to make the statements contained therein, in the light of the circumstances under which they were made, not materially misleading (in each case, after giving effect to all supplements and updates with respect thereto) and (b) all financial projections concerning the Companies that have been or are hereafter made available to the Lead Arrangers or any of the Lenders by or on behalf of you or any of your representatives (the “**Projections**”) (prior to the Closing Date, to your knowledge, in the case of Projections provided by the Acquired Business) have been or will be prepared in good faith based upon assumptions believed by you to be reasonable at the time provided (it being understood and agreed that the Projections are as to future events and are not to be viewed as facts or a guarantee of performance or achievement, that the Projections are subject to significant uncertainties and contingencies, many of which are beyond your control, that no assurance can be given that any particular Projections will be realized and that actual results may differ from the Projections and such differences may be material). You agree that if at any time prior to the later of (a) the earlier of (i) the date on which a Successful Syndication (as defined in the Fee Letter) is achieved and (ii) 45 days following the Closing Date (the earlier of such dates, the “**Syndication Date**”) and (b) the Closing Date, you become aware that any of the representations in the preceding sentence would be incorrect in any material respect if the Information and Projections were being furnished, and such representations were being made, at such time, then you will promptly supplement, or cause to be supplemented (or in the case of Information or Projections relating to the Acquired Business, you will promptly notify the Lead Arrangers upon becoming aware that any such Information or Projections are incorrect in any material respect and, to the extent provided for in the Acquisition Agreement, will use commercially reasonable efforts to supplement), the Information and Projections so that such representations (prior to the Closing Date, to your knowledge, in the case of the Acquired Business) will be correct in all material respects at such time, it being understood in each case that such supplementation shall cure any breach of such representation and warranty. In issuing this commitment and in arranging and syndicating the Term B Loan Facility, each Commitment Party is and will be using and relying on the Information and the Projections without independent verification thereof. For the avoidance of doubt, nothing in this paragraph (including the making or supplementing of any representations or warranties, Information or Projections) will constitute a condition to the availability of the Term B Loan Facility on the Closing Date.

You acknowledge that (a) the Lead Arrangers, on your behalf will make available, on a confidential basis, Information Materials to the proposed syndicate of Lenders by posting the Information Materials on IntraLinks or another similar electronic system (the “**Platform**”) and (b) certain prospective Lenders (such Lenders, “**Public Lenders**”; all other Lenders, “**Private Lenders**”) may have personnel that do not wish to receive material non-public information (within the meaning of the United States federal securities laws, “**MNPI**”) with respect to the Companies, their respective affiliates or any other entity, or the respective securities of any of the foregoing, and who may be engaged in investment and other market-related activities with respect to such entities’ securities. If reasonably requested, you will assist the Lead Arrangers in preparing an additional version of the Information Materials not containing MNPI (the “**Public Information Materials**”) to be distributed to prospective Public Lenders.

Before distribution of any Information Materials (a) to prospective Private Lenders, you shall provide the Lead Arrangers with a customary letter authorizing the dissemination of the Information Materials; and (b) to prospective Public Lenders, you shall provide the Lead Arrangers with a customary letter authorizing the dissemination of the Public Information Materials and confirming the absence of MNPI therefrom and, in each case, which exculpate the Companies and us and our affiliates with respect to any liability related to the use of the contents of the Information Materials or related marketing materi-

als by the recipients thereof. In addition, you hereby agree that (x) you will use commercially reasonable efforts to identify (and, at the reasonable request of the Lead Arrangers or the Administrative Agent (or its affiliates), shall identify) that portion of the Information Materials that may be distributed to the Public Lenders; (y) all Information Materials identified as "PUBLIC" are permitted to be made available through a portion of the Platform designated "Public Investor"; and (z) the Lead Arrangers and the Administrative Agent (and its affiliates) shall be entitled to treat any Information Materials that are not identified as "PUBLIC" as being suitable only for posting on a portion of the Platform not designated "Public Investor".

You agree that, subject to the confidentiality and other provisions of this Commitment Letter, the Lead Arrangers and the Administrative Agent (and its affiliates) on your behalf may distribute the following documents to all prospective Lenders, unless you advise the Lead Arrangers and Administrative Agent in writing (including by email) within a reasonable time prior to their intended distributions that such material should only be distributed to prospective Private Lenders (*provided* that such materials have been provided to you and your counsel for review a reasonable period of time prior thereto): (a) administrative materials for prospective Lenders such as lender meeting invitations and funding and closing memoranda, (b) notifications of changes to the terms of the Term B Loan Facility and (c) drafts approved in writing by you and the Administrative Agent (or its affiliates) and final versions of definitive documents with respect to the Term B Loan Facility. If you advise the Lead Arrangers and the Administrative Agent that any of the foregoing items should be distributed only to Private Lenders, then the Lead Arrangers and the Administrative Agent will not distribute such materials to Public Lenders without your prior consent. You agree that Information Materials made available to prospective Public Lenders in accordance with this Commitment Letter shall not contain MNPI.

4. Fees and Indemnities.

(a) You agree to reimburse the Commitment Parties from time to time upon receipt of a reasonably detailed invoice therefor for all reasonable and documented out-of-pocket fees and expenses (in the case of fees and expenses of counsel, limited to the reasonable and documented out-of-pocket fees, disbursements and other out-of-pocket expenses of (x) one firm of lead counsel to the Commitment Parties (it being understood and agreed that Cahill Gordon & Reindel LLP shall act as counsel to the Commitment Parties) and (y) one firm of local counsel in each relevant jurisdiction reasonably retained by the Administrative Agent) incurred in connection with the Term B Loan Facility, the syndication thereof, the preparation of the Credit Documentation (as defined below) therefor and the other Transactions contemplated hereby, whether or not the Closing Date occurs or any of the Credit Documentation is executed and delivered or any extensions of credit are made under the Term B Loan Facility; *provided*, that if the Closing Date does not occur and no termination fee is paid to you pursuant to Section 10.3(b) of the Acquisition Agreement, the aggregate reimbursement by you of such fees and expenses shall not exceed \$250,000. Such amounts shall be paid on the earlier of (i) the Closing Date or (ii) three (3) business days following the termination of this Commitment Letter as provided below (the "**Payment Date**"), in each case to the extent you have received a reasonably detailed invoice at least three (3) business days in advance of the Payment Date. You agree to pay (or cause to be paid) the fees set forth in the separate fee letter addressed to you dated the date hereof from the Commitment Parties (the "**Fee Letter**"), if and to the extent payable.

(b) You also agree to indemnify and hold harmless each of the Commitment Parties, each other Lender and each of their affiliates, successors and assigns and their respective partners, officers, directors, employees, trustees, agents, advisors, controlling persons and other representatives involved in the Transactions (each, an "**Indemnified Party**") from and against (and will reimburse each Indemnified Party within 30 days following written demand (accompanied by reasonable back-up therefor)) any and all claims, damages, losses, liabilities and reasonable and documented out-of-pocket expenses (including,

without limitation, the reasonable and documented fees, disbursements and other charges of one firm of counsel for all such Indemnified Parties, taken as a whole and, if necessary, by a single firm of local counsel in each appropriate jurisdiction (which may include a single firm of special counsel acting in multiple jurisdictions) for all such Indemnified Parties, taken as a whole (and, in the case of a conflict of interest where the Indemnified Party affected by such conflict notifies you of the existence of such conflict and thereafter retains its own counsel, by another firm of counsel for all such affected Indemnified Parties)) of amounts payable by you pursuant to clause (a) above) that may be incurred by or asserted or awarded against any Indemnified Party, in each case arising out of or in connection with or by reason of (including, without limitation, in connection with any investigation, litigation or proceeding or preparation of a defense in connection therewith) (a) any aspect of the Transactions or (b) the Term B Loan Facility, or any use made or proposed to be made with the proceeds thereof, in each case, except to the extent such claim, damage, loss, liability or expense (A) is found in a final non-appealable judgment by a court of competent jurisdiction to have resulted from such Indemnified Party's or any of its Related Parties' gross negligence, bad faith or willful misconduct, (B) arises from a breach of such Indemnified Party's or any of its Related Parties' obligations hereunder, (C) arises from a proceeding by an Indemnified Party against an Indemnified Party (or any of their respective affiliates or related parties) (other than an action involving (i) conduct by you or any of your affiliates or (ii) against an arranger or administrative agent in its capacity as such) or (D) resulted from any agreement governing any settlement by such Indemnified Party that is effective without your prior written consent (which consent shall not be unreasonably withheld). In the case of any claim, litigation, investigation or proceeding (any of the foregoing, a "**Proceeding**") to which the indemnity in this paragraph applies, such indemnity shall be effective whether or not such Proceeding is brought by you, your equity holders or creditors or an Indemnified Party, whether or not an Indemnified Party is otherwise a party thereto and whether or not any aspect of the Transactions are consummated. It is agreed that none of you (or any of your subsidiaries), the Target (or any of its subsidiaries) or any Indemnified Party shall be liable for any indirect, special, punitive or consequential damages (including, without limitation, any loss of profits, business or anticipated savings) in connection with this Commitment Letter, the Fee Letter or with respect to any activities related to the Term B Loan Facility, including the preparation of this Commitment Letter, the Fee Letter and the Credit Documentation; *provided* that nothing in this sentence shall limit your indemnification obligations set forth above. It is further agreed that the Commitment Parties shall only have liability to you (as opposed to any other person), and that the Commitment Parties shall be severally liable solely in respect of their respective commitments to the Term B Loan Facility and agreements set forth herein, on a several, and not joint, basis with any other Lender. Notwithstanding any other provision of this Commitment Letter, no Indemnified Party shall be liable for any damages arising from the use by others of information or other materials obtained through electronic telecommunications or other information transmission systems, other than for direct, actual damages resulting from the gross negligence, bad faith or willful misconduct of such Indemnified Party or any of its Related Parties as determined by a final non-appealable judgment of a court of competent jurisdiction. You shall not, without the prior written consent of an Indemnified Party, such consent not to be unreasonably withheld or delayed, effect any settlement of any pending or threatened Proceeding against an Indemnified Party in respect of which indemnity could have been sought hereunder by such Indemnified Party unless (i) such settlement includes an unconditional release of such Indemnified Party from all liability or claims that are the subject matter of such Proceeding and (ii) does not include any statement as to any admission of liability. In case any Proceeding is instituted involving any Indemnified Party for which indemnification is to be sought hereunder by such Indemnified Party, then such Indemnified Party will promptly notify you of the commencement of any Proceedings. You shall not be liable for any settlement of any Proceeding affected without your written consent (which consent shall not be unreasonably withheld). "**Related Parties**" means, with respect to the any Commitment Party, such Commitment Party's affiliates and their respective officers, directors, employees, advisors, agents and representatives, in each case, providing services in connection with the subject matter of this Commitment Letter. The foregoing provisions in this paragraph shall be superseded in each case, to the

extent covered thereby, by the applicable provisions contained in the Credit Documentation upon execution thereof and thereafter shall have no further force and effect.

5. Conditions to Financing. The commitment of each Initial Lender with respect to the initial funding of the Term B Loan Facility is subject solely to (a) the satisfaction (or waiver by the Lead Arrangers) of each of the conditions set forth in Annex II hereto and (b) the execution and delivery of customary definitive credit documentation by the Borrower and the Guarantors with respect to the Term B Loan Facility consistent with this Commitment Letter and the Fee Letter and subject in all respects to the Limited Conditionality Provisions and giving effect to the Documentation Standard (as defined in Annex I) (the “**Credit Documentation**”) prior to such initial funding. There are no conditions (implied or otherwise) to the commitments hereunder, and there will be no conditions (implied or otherwise) under the Credit Documentation to the funding of the Term B Loan Facility on the Closing Date, other than those that are expressly referred to in the immediately preceding sentence.

Notwithstanding anything in this Commitment Letter, the Fee Letter, the Credit Documentation or any other letter agreement or other undertaking concerning the financing of the Transactions to the contrary, (a) the Credit Documentation shall be in a form such that the terms thereof do not impair availability of the Term B Loan Facility on the Closing Date if the conditions in this paragraph 5 shall have been satisfied or waived by the Lead Arrangers (it being understood that to the extent any security interest in Collateral (including the creation or perfection of any security interest) (other than any Collateral the security interest in which may be perfected by the filing of a UCC financing statement or the delivery of certificates, if any, evidencing equity interests of any subsidiary Guarantors (after giving effect to the Acquisition) that is part of the Collateral; *provided* that stock or membership interest certificates for certificated stock for the entities comprising subsidiaries of the Target (to the extent required under the terms of Annex II hereto) will, to the extent you have used commercially reasonable efforts to obtain them, only be required to be delivered on the Closing Date to the extent received from the holders thereof prior to the Closing Date)) is not perfected or provided on the Closing Date after your use of commercially reasonable efforts to do so without undue burden or expense, the provision and perfection of such Collateral and security interest shall not constitute a condition precedent to the availability of the Term B Loan Facility on the Closing Date but shall be required to be perfected not later than 90 days (subject to extensions as may be agreed to by the Administrative Agent) after the Closing Date pursuant to arrangements to be mutually agreed by the Borrower and Administrative Agent), and (b) the only representations and warranties the accuracy of which shall be a condition to the availability of the Term B Loan Facility on the Closing Date shall be (x) such of the representations made by the Target in the Acquisition Agreement as are material to the interests of the Lenders, but only to the extent that you (or your affiliate) have the right (taking into account any applicable notice and cure provisions) to terminate your (and/or its) obligations under the Acquisition Agreement or decline to consummate the Acquisition (in each case, in accordance with the terms thereof) as a result of a breach of such representations in the Acquisition Agreement (to such extent, the “**Acquisition Agreement Representations**”) and (y) the Specified Representations (as defined below). “**Specified Representations**” shall mean the representations and warranties of the Borrower and Guarantors (after giving effect to the Acquisition) in the Credit Documentation relating to: (i) (A) corporate existence of the Borrower and the Guarantors and (B) corporate power and authority to enter into the Credit Documentation by the Borrower and the Guarantors, (ii) due authorization, execution, delivery and enforceability of the Credit Documentation by the Borrower and the Guarantors, (iii) no conflicts of the Credit Documentation with charter documents of the Borrower and the Guarantors, (iv) compliance with Federal Reserve margin regulations and the use of proceeds of the Term B Loan Facility not violating the USA PATRIOT Act, OFAC, AML and FCPA, (v) the Investment Company Act, (vi) solvency of the Borrower and its subsidiaries on a consolidated basis and on a pro forma basis for the Transactions (such representations to be substantially identical to those set forth in the Solvency Certificate attached as Annex III to the Commitment Letter (the “**Solvency Certificate**”)), and (vii) subject to the limitations set forth in this paragraph, the provision of guarantees and the creation, validity and perfection of the security

interests granted in the Collateral. The provisions of this paragraph are referred to herein as the “**Limited Conditionality Provisions**”.

Each of the parties hereto agrees that each of this Commitment Letter and the Fee Letter is a binding and enforceable agreement (subject to the effects of bankruptcy, insolvency, fraudulent conveyance, reorganization and other similar laws relating to or affecting creditors’ rights generally and general principles of equity (whether considered in a proceeding in equity or law)) with respect to the subject matter contained herein, including an agreement to negotiate in good faith the Credit Documentation by the parties hereto in a manner consistent with this Commitment Letter and, to the extent applicable, the Fee Letter, it being acknowledged and agreed that the funding of the Term B Loan Facility is subject only to the conditions precedent as set forth in this paragraph 5. For clarity, all terms referenced herein to being defined in the Credit Documentation shall be defined in accordance with the Documentation Standard (unless otherwise provided for herein).

6. Confidentiality and Other Obligations. This Commitment Letter and the Fee Letter and the contents hereof and thereof are confidential and may not be disclosed in whole or in part to any person or entity without the prior written consent of the Commitment Parties (not to be unreasonably withheld, conditioned or delayed) except (i) this Commitment Letter and the Fee Letter and contents hereof and thereof may be disclosed (A) on a confidential basis to your subsidiaries, directors, officers, employees, accountants, attorneys and other representatives and professional advisors who need to know such information in connection with the Transactions and are informed of the confidential nature of such information, (B) pursuant to the order of any court or administrative agency in any pending legal or administrative proceeding, or otherwise as required by applicable law or stock exchange requirement or compulsory legal process (in which case you agree to use commercially reasonable efforts to inform the Commitment Parties promptly thereof prior to such disclosure to the extent permitted by applicable law), and (C) on a confidential basis to the affiliates, members, partners, stockholders, equity holders, controlling persons, directors, officers, employees, accountants, attorneys and other representatives and professional advisors of the Acquired Business; *provided* that any such disclosure of the Fee Letter shall be subject to customary redaction of the fees and the economic “market flex” provisions contained therein, (ii) Annex I and the existence of this Commitment Letter and the Fee Letter (but not the contents of this Commitment Letter and the Fee Letter) may be disclosed to Moody’s, S&P and any other rating agency on a confidential basis, (iii) the aggregate amount of the fees (including upfront fees and original issue discount) payable under the Fee Letter may be disclosed as part of generic disclosure regarding sources and uses for closing of the Acquisition, projections, and pro forma information (but without disclosing any specific fees, market flex or other economic terms set forth therein), (iv) this Commitment Letter and the Fee Letter may be disclosed on a confidential basis to your auditors or persons performing customary accounting functions for customary accounting purposes, including accounting for deferred financing costs, (v) to the directors, officers, attorneys and other professional advisors of the Target on a confidential “need to know” basis in connection with the Transactions; *provided* that any disclosure of the Fee Letter and the contents thereof shall be redacted in a manner satisfactory to the Commitment Parties, (vi) you may disclose this Commitment Letter (but not the Fee Letter) and its contents in any information memorandum or syndication distribution, as well as in any proxy statement or other public filing or other marketing materials relating to the Acquisition or the Term B Loan Facility and (vii) this Commitment Letter and the Fee Letter may be disclosed to a court, tribunal or any other applicable administrative agency or judicial authority in connection with the enforcement of your rights hereunder (in which case you agree to inform the Commitment Parties promptly thereof prior to such disclosure to the extent permitted by applicable law).

The Commitment Parties shall use all confidential information provided to them by or on behalf of you hereunder solely for the purpose of providing the services which are the subject of this Commitment Letter and otherwise in connection with the Transactions and shall treat confidentially all such in-

formation; *provided, however*, that nothing herein shall prevent any Commitment Party from disclosing any such information (i) pursuant to the order of any court or administrative agency or in any pending legal or administrative proceeding, or otherwise as required by applicable law or compulsory legal process (in which case such Commitment Party agrees to inform you promptly prior to disclosure to the extent not prohibited by law, rule or regulation), (ii) upon the request or demand of any regulatory authority having jurisdiction over such Commitment Party or any of its affiliates, (iii) to the extent that such information becomes publicly available other than by reason of disclosure in violation of this Commitment Letter, the Fee Letter or other confidential obligation owed by the Commitment Parties, (iv) to such Commitment Party's affiliates, employees, legal counsel, independent auditors and other experts, professionals or agents who need to know such information in connection with the Transactions and are informed of the confidential nature of such information, (v) for purposes of establishing a "due diligence" defense available under securities laws, (vi) to the extent that such information is received by such Commitment Party from a third party that is not to such Commitment Party's knowledge subject to confidentiality obligations to you, (vii) to the extent that such information is independently developed by such Commitment Party, (viii) to potential Lenders, participants, assignees or any direct or indirect contractual counterparties to any swap or derivative transaction relating to you or your obligations under the Term B Loan Facility, in each case, who agree to be bound by the terms of this paragraph (or language not less restrictive than this paragraph or as otherwise reasonably acceptable to you and the Commitment Parties, including as may be agreed in any confidential information memorandum or other marketing material), (ix) to Moody's and S&P and to Bloomberg, LSTA and similar market data collectors with respect to the syndicated lending industry; *provided* that such information is limited to Annex I and is supplied only on a confidential basis, or (x) with your prior written consent. You acknowledge that the Commitment Parties or their affiliates may be providing financing or other services to parties whose interests may conflict with yours. The Commitment Parties agree that they will not furnish confidential information obtained from you to any of their other customers and will treat confidential information relating to the Companies and their respective affiliates with the same degree of care as they treat their own confidential information. Patriot Act*”), each of them is required to obtain, verify and record information that identifies the Borrower and the Guarantors, which information includes the name and address of such person and other information that will allow the Commitment Parties, as applicable, to identify each such person in accordance with the U.S.A. Patriot Act.

SUMMARY OF TERMS AND CONDITIONS
\$425,000,000 TERM B LOAN FACILITY

Capitalized terms not otherwise defined herein have the same meanings as specified therefor in the Commitment Letter to which this Annex I is attached.

Borrower: MaxLinear, Inc., a Delaware corporation (the “*Borrower*”).

Guarantors: The obligations of the Borrower (the “*Borrower Obligations*”) under the Term B Loan Facility (as hereinafter defined) will be unconditionally guaranteed jointly and severally on a senior basis (the “*Guarantees*”) by each of the Borrower’s wholly-owned restricted U.S. subsidiaries (and consistent with the principles set forth herein) (collectively, the “*Guarantors*”); *provided* that Guarantors shall not include (i) unrestricted subsidiaries, (ii) immaterial subsidiaries (to be defined in a mutually acceptable manner as to individual and aggregate revenues or assets excluded), (iii) any subsidiary that is prohibited, but only so long as such subsidiary is prohibited, by applicable law, rule or regulation or by any contractual obligation existing on the Closing Date or existing at the time of acquisition thereof after the Closing Date (so long as such prohibition did not arise as part of such acquisition), in each case, from guaranteeing the Term B Loan Facility or which would require governmental (including regulatory) consent, approval, license or authorization to provide a Guarantee unless such consent, approval, license or authorization has been received (but without obligation to seek the same), (iv) any direct or indirect subsidiary of a “controlled foreign corporation” within the meaning of Section 957 of the Internal Revenue Code of 1986, as amended (a “*CFC*”), (v) any CFC, (vi) any domestic subsidiary with no material assets other than equity interests (including, for this purpose, any debt or other instrument treated as equity for U.S. federal income tax purposes) of one or more foreign subsidiaries that are CFCs (a “*Disregarded Domestic Person*”), (vii) not-for-profit subsidiaries, (viii) any other subsidiary with respect to which the Borrower (in consultation with the Administrative Agent) has reasonably determined that the adverse consequences (including the cost) of providing a guarantee shall be excessive in relation to the benefits to be obtained by the Lenders therefrom, and (ix) certain special purpose entities. In addition, the Credit Documentation will contain carve outs for “non-ECP Guarantors”, consistent with the LSTA provisions. All guarantees will be guarantees of payment and not of collection. The Target and its subsidiaries included in the Acquired Business that are not excluded from the foregoing requirements pursuant to the terms described above shall be required to become Guarantors (and grant liens in their assets constituting Collateral that can be perfected by filing UCC financing statements) on the Closing Date. Notwithstanding the foregoing, it is understood and agreed that neither the Target nor any of its subsidiaries shall be required to be Guarantors until the Merger is consummated on the Merger Closing Date.

Administrative Agent and Collateral Agent:	JPMCB will act as sole and exclusive administrative and collateral agent for the Lenders (the “ <i>Administrative Agent</i> ”).
Joint Lead Arrangers and Joint Bookrunners:	JPMCB and DBSI will act as joint lead arrangers and joint bookrunners for the Term B Loan Facility (in such capacities, the “ <i>Lead Arrangers</i> ”); <i>provided</i> that JPMCB may perform its responsibilities hereunder as a Lead Arranger through its affiliate, J.P. Morgan Securities LLC.
Lenders:	Banks, financial institutions and institutional lenders selected by the Lead Arrangers in consultation with and reasonably acceptable to the Borrower and, after the initial funding of the Term B Loan Facility, subject to the restrictions set forth in the Assignments and Participations section below (the “ <i>Lenders</i> ”).
Term B Loan Facility:	A senior secured first lien term loan B facility (the “ <i>Term B Loan Facility</i> ”) in an aggregate principal amount of \$425.0 million.
Purpose:	The proceeds of borrowings under the Term B Loan Facility, together with cash on the balance sheet of the Companies, shall be used (i) to finance the Acquisition and the Refinancing and the other Transactions, (ii) to pay fees and expenses incurred in connection therewith and (iii) for working capital and general corporate purposes.
Availability:	The Term B Loan Facility will be available in a single drawing on the Closing Date. Amounts borrowed under the Term B Loan Facility that are repaid or prepaid may not be reborrowed.
Interest Rates:	<p>The interest rate per annum under the Term B Loan Facility will be, at the option of the Borrower, (i) LIBOR plus the Applicable Margin (as hereinafter defined) or (ii) the Base Rate plus the Applicable Margin. The Applicable Margin means 2.75% per annum, in the case of LIBOR advances, and 1.75% per annum, in the case of Base Rate advances.</p> <p>The Borrower may select interest periods of one, two, three or six months (and, if agreed to by all applicable Lenders, a period shorter than one month or a period of twelve months) for LIBOR advances. Interest shall be payable at the end of the selected interest period, but no less frequently than quarterly.</p> <p>“<i>LIBOR</i>” and “<i>Base Rate</i>” will have meanings customary and appropriate for financings of this type; <i>provided</i> that (x) LIBOR will be deemed to be not less than 0.75% per annum (the “<i>LIBOR Floor</i>”) and (y) the Base Rate will be deemed to be not less than 100 basis points higher than one-month LIBOR (after giving effect to the LIBOR Floor).</p> <p>During the continuance of an event of default for non-payment of principal, interest or fees, interest will accrue on such overdue principal, interest or fees at the Default Rate (as defined below). During the continuance of a bankruptcy event of default, the principal amount of all</p>

outstanding obligations will bear interest at the Default Rate. As used herein, “**Default Rate**” means (i) on the principal of any loan at a rate of 200 basis points in excess of the rate otherwise applicable to such loan and (ii) on any other overdue amount at a rate of 200 basis points in excess of the non-default rate of interest then applicable to Base Rate loans.

Calculation of Interest:

Other than calculations in respect of interest at the Base Rate (which shall be made on the basis of actual number of days elapsed in a 365/366 day year), all calculations of interest shall be made on the basis of actual number of days elapsed in a 360-day year.

Cost and Yield Protection:

Subject to the Documentation Standard (as defined below) and customary for transactions and facilities of this type, including, without limitation, in respect of breakage or redeployment costs incurred in connection with prepayments (other than loss of margin), changes in capital adequacy, liquidity requirements and capital requirements or their interpretation, illegality, unavailability, reserves without proration or offset and payments free and clear of withholding or other taxes; *provided* that for all purposes of the Credit Documentation, (i) the Dodd-Frank Wall Street Reform and Consumer Protection Act and all requests, rules, guidelines and directives promulgated thereunder and (ii) all requests, rules, guidelines or directives promulgated by the Bank for International Settlements, the Basel Committee on Banking Supervision (or any successor or similar authority) or the United States regulatory authorities, in each case, pursuant to Basel III, shall be deemed introduced or adopted after the Closing Date, so long as, in each case, any amounts with respect thereto assessed by any Lender shall also be so assessed by such Lender against its similarly situated customers generally under agreements containing comparable yield protection provisions.

Maturity:

The Term B Loan Facility will mature on the date that is 7 years after the Closing Date. The Credit Documentation shall contain customary “amend and extend” provisions pursuant to which individual Lenders may agree to extend the maturity date of their outstanding loans or loans under the Term B Loan Facility or any Incremental Facility (which may include, among other things, an increase in the interest rate payable in respect of such extended loans, with such extensions not subject to any “default stoppers”, financial tests or “most favored nation” pricing provisions) upon the request of the Borrower and without the consent of any other Lender (it is understood that (i) no existing Lender will have any obligation to commit to any such extension and (ii) each Lender under the class being extended shall have the opportunity to participate in such extension on the same terms and conditions as each other Lender under such class).

Incremental Facilities:

The Credit Documentation will permit the Borrower to (a) add one or more incremental term loan facilities to the Term B Loan Facility or to increase the existing Term B Loan Facility (each, an “**Incremental Term**”).

applicable to the Term B Loan Facility and the Applicable Margins for any Incremental Term Facility, (x) original issue discount (“**OID**”) or upfront fees (which shall be deemed to constitute like amounts of OID) payable by the Borrower for the account of the Lenders of the Term B Loan Facility in the primary syndication thereof shall be included (with OID being equated to interest based on an assumed four-year life to maturity), (y) customary arrangement, structuring, underwriting, amendment or commitment fees payable to one or more arrangers shall be excluded, and (z) if the LIBOR or Base Rate floor for any Incremental Term Facility is greater than the LIBOR or Base Rate floor, respectively, for the existing Term B Loan Facility, the difference between such floor for the Incremental Term Facility and the Term B Loan Facility shall be equated to an increase in the Applicable Margin for purposes of this clause (vi), (vii) each Incremental Facility shall be secured by *pari passu* liens on the Collateral (as hereinafter defined) securing the Term B Loan Facility and no other assets and shall be guaranteed by the Guarantors and no other persons, (viii) any Incremental Term Facility shall be on terms and pursuant to documentation to be determined, *provided that*, to the extent such terms and documentation are not consistent with the Term B Loan Facility (except to the extent permitted by clause (i), (ii), (iii), (iv), (v) or (vi) above, as applicable), they shall be reasonably satisfactory to the Administrative Agent; *provided further* that any Incremental Term A Facility may include financial maintenance covenants and other terms and conditions that are more restrictive to the Borrower and its restricted subsidiaries than the terms applicable to the Term B Loan Facility, solely for the benefit of the Lenders under such Incremental Term A Facility and (ix) any Incremental Revolving Facility shall be on terms and pursuant to documentation to be determined, *provided that*, (x) such Incremental Revolving Facility may have a maturity date that is earlier than the maturity date for the Term B Loan Facility and (y) such Incremental Revolving Facility may include financial maintenance covenants and other terms and conditions that are more restrictive to the Borrower and its restricted subsidiaries than the terms applicable to the Term B Loan Facility, solely for the benefit of the Lenders under such Incremental Revolving Facility. The Borrower may seek commitments in respect of any Incremental Facility from existing Lenders or from additional banks, financial institutions and other institutional lenders and to the extent the Administrative Agent would have a consent right on an assignment to such new lender, such new lender shall be reasonably acceptable to the Administrative Agent.

Refinancing Facilities:

The Credit Documentation will permit the Borrower to refinance loans under the Term B Loan Facility or loans under any Incremental Facility (each, “**Refinanced Debt**”) from time to time, in whole or part, with (x) one or more new term facilities (each, a “**Refinancing Term Facility**”) under the Credit Documentation with the consent of the Borrower, the Administrative Agent (not to be unreasonably withheld, delayed or conditioned) and the institutions providing such Refinancing Term Facility or (y) one or more series of unsecured notes or loans, notes secured by the Collateral on a *pari passu* basis with the Term B Loan Facility or

notes or loans secured by the Collateral on a junior lien basis to the Term B Loan Facility, which will be subject to customary intercreditor terms reasonably acceptable to the Administrative Agent and the Borrower (any such notes or loans, “*Refinancing Notes*” and together with the Refinancing Term Facilities, the “*Refinancing Indebtedness*”); *provided* that (i) any Refinancing Term Facility or Refinancing Notes do not mature prior to the maturity date of, or have a shorter weighted average life than, the applicable Refinanced Debt (without giving effect to any amortization or prepayments on the outstanding loans under the Term B Loan Facility or loans made under any Incremental Facility, as applicable), (ii) any Refinancing Notes consisting of notes do not mature prior to the maturity date of the applicable Refinanced Debt or have any scheduled amortization, (iii) there shall be no issuers, borrowers or guarantors in respect of any Refinancing Indebtedness that are not the Borrower or a Guarantor and no Refinancing Indebtedness shall be secured by assets other than the Collateral, (iv) any Refinancing Notes shall not contain any mandatory prepayment provisions (other than related to customary asset sale and change of control offers or events of default) that could result in prepayments of such Refinancing Notes prior to the maturity date of the applicable Refinanced Debt, (v) the other terms and conditions of such Refinancing Indebtedness (excluding pricing, interest rate margins, rate floors, discounts, fees and optional prepayment or optional redemption provisions) are not materially more favorable (when taken as a whole) to the lenders or investors providing such Refinancing Indebtedness than the terms of the applicable Refinanced Debt unless (1) Lenders under the corresponding Refinanced Debt also receive the benefit of such more restrictive terms or (2) any such provisions apply after the maturity date of the applicable Refinanced Debt and (vi) the proceeds of such Refinancing Indebtedness (a) shall not be in an aggregate principal amount greater than the aggregate principal amount of the applicable Refinanced Debt plus any fees and premiums associated therewith, and costs and expenses related thereto and (b) shall be immediately applied to permanently prepay in whole or in part the applicable Refinanced Debt.

Documentation Standard:

The Credit Documentation for the Term B Loan Facility (i) shall be based upon the Credit Agreement, dated August 16, 2016, by and between Cavium, Inc., the lenders party thereto, and JPMorgan Chase Bank, N.A. as administrative agent and collateral agent, with appropriate modifications to baskets and materiality thresholds to reflect the size, industry, leverage and ratings of the Borrower after giving effect to the Acquisition and with appropriate modifications to reflect the structure of the Term B Loan Facility as a “term B loan facility,” as applicable, to reflect changes in law or accounting standards since the date of such precedent, to include customary EU Bail-In provisions and to give due effect to the Borrower’s model received by JPMCB on March 17, 2017, (ii) shall contain the terms and conditions set forth in this Summary of Terms, (iii) shall reflect the operational and strategic requirements of the Borrower and its subsidiaries (after giving effect to the Acquisition) in light of their size, industries and practices and (iv) shall reflect the customary agency and operational requirements of the Administrative Agent

(collectively, the “**Documentation Standard**”), in each case, subject to the Limited Conditionality Provisions. The Credit Documentation shall, subject to the “market flex” provisions contained in the Fee Letter, contain only those conditions to borrowing, mandatory prepayments, representations and warranties, covenants (affirmative, negative and financial) and events of default expressly set forth in this Summary of Terms, in each case, applicable to the Borrower and its restricted subsidiaries and, subject to the Documentation Standard and limitations as set forth herein, with materiality thresholds, standards, qualifications, exceptions, “baskets”, and grace and cure periods to be mutually agreed and consistent with the Documentation Standard.

Limited Condition Acquisitions:

For purposes of (i) determining compliance with any provision of the Credit Documentation which requires the calculation of the First Lien Leverage Ratio, the Secured Leverage Ratio or the Total Leverage Ratio, (ii) determining compliance with representations, warranties, defaults or events of default or (iii) testing availability under baskets set forth in the Credit Documentation (including baskets measured as a percentage of Consolidated EBITDA), in each case, in connection with an acquisition (or similar investment) by one or more of the Borrower and its restricted subsidiaries of any assets, business or person permitted to be acquired by the Credit Documentation, in each case whose consummation is not conditioned on the availability of, or on obtaining, third party financing (any such acquisition, a “**Limited Condition Acquisition**”), at the option of the Borrower (the Borrower’s election to exercise such option in connection with any Limited Condition Acquisition, an “**LCA Election**”), the date of determination of whether any such action is permitted hereunder, shall be deemed to be the date the definitive agreements for such Limited Condition Acquisition are entered into (the “**LCA Test Date**”), and if, after giving pro forma effect to the Limited Condition Acquisition and the other transactions to be entered into in connection therewith as if they had occurred at the beginning of the most recent test period ending prior to the LCA Test Date, the Borrower could have taken such action on the relevant LCA Test Date in compliance with such ratio or basket, such ratio or basket shall be deemed to have been complied with.

For the avoidance of doubt, if the Borrower has made an LCA Election and any of the ratios or baskets for which compliance was determined or tested as of the LCA Test Date are exceeded as a result of fluctuations in any such ratio or basket (including due to fluctuations in pro forma Consolidated EBITDA, including of the target of any Limited Condition Acquisition) at or prior to the consummation of the relevant transaction or action, such baskets or ratios will not be deemed to have been exceeded as a result of such fluctuations, however, if any ratios improve or baskets increase as a result of such fluctuations, such improved ratios or baskets may be utilized. If the Borrower has made an LCA Election for any Limited Condition Acquisition, then in connection with any subsequent calculation of any ratio or basket on or following the relevant LCA Test Date and prior to the earlier of (i) the date on which such Limited Condi-

tion Acquisition is consummated or (ii) the date that the definitive agreement for such Limited Condition Acquisition is terminated or expires without consummation of such Limited Condition Acquisition, any such ratio or basket shall be calculated on a pro forma basis assuming such Limited Condition Acquisition and other transactions in connection therewith (including any incurrence of debt and the use of proceeds thereof) have been consummated.

Financial Definitions:

The “**First Lien Leverage Ratio**” means the ratio of (i) Consolidated Funded Indebtedness of the Borrower and its restricted subsidiaries that is secured by a lien on any assets or property of the Borrower or any restricted subsidiary (“**Secured Debt**”) on a senior or *pari passu* basis with the Term B Loan Facility to (ii) trailing four-quarter Consolidated EBITDA (as defined below) of the Borrower and its restricted subsidiaries.

“**Secured Leverage Ratio**” means the ratio of (i) Secured Debt to (ii) trailing four-quarter Consolidated EBITDA of the Borrower and its restricted subsidiaries.

“**Total Leverage Ratio**” means the ratio of (i) Consolidated Funded Indebtedness of the Borrower and its restricted subsidiaries to (ii) trailing four-quarter Consolidated EBITDA of the Borrower and its restricted subsidiaries.

- (i) expected cost savings, operating expense reductions, restructuring charges and expenses and synergies related to the Transactions projected by the Borrower in good faith to result from actions with respect to which substantial steps have been, will be, or are expected to be, taken and which are expected to be realized (in the good faith determination of the Borrower) on or prior to December 31, 2018, which are factually supportable; *provided* that the aggregate amount added back to Consolidated EBITDA pursuant to this clause (i) and clause (ii) below in any test period shall not exceed 20% of EBITDA for such test period (calculated prior to giving effect to such add-backs);
- (ii) expected cost savings, operating expense reductions, restructuring charges and expenses and synergies related to mergers and other

business combinations, acquisitions, divestitures, restructuring, cost savings initiatives which are factually supportable and other similar initiatives and projected by the Borrower in good faith to result from actions with respect to which substantial steps have been, will be, or are expected to be, taken and which are expected to be realized (in the good faith determination of the Borrower) within 18 months after such transaction or initiative is consummated; *provided* that the aggregate amount added back to Consolidated EBITDA pursuant to this clause (ii) and clause (i) above in any test period shall not exceed 20% of Consolidated EBITDA for such test period (calculated prior to giving effect to such add-backs);

- (iii) non-cash losses, charges and expenses (including non-cash compensation charges);
- (iv) extraordinary, unusual or non-recurring losses, charges and expenses;
- (v) cash restructuring and related charges and business optimization expenses;
- (vi) unrealized gains and losses due to foreign exchange adjustments (including, without limitation, losses and expenses in connection with currency and exchange rate fluctuations);
- (vii) costs and expenses in connection with the Transactions;
- (viii) expenses or charges related to any equity offering, permitted investment, acquisition, disposition, recapitalization or incurrence of permitted indebtedness (whether or not consummated), including non-operating or non-recurring professional fees, costs and expenses related thereto;
- (ix) interest, taxes, amortization and depreciation; and
- (x) losses from discontinued operations.

Scheduled Amortization:

The Term B Loan Facility shall be subject to quarterly amortization of principal equal to 0.25% of the original aggregate principal amount of the Term B Loan Facility, with the balance payable on the final maturity date.

Mandatory Prepayments:

In addition to the amortization set forth above and subject to the next two paragraphs, mandatory prepayments required with respect to the Term B Loan Facility shall be limited to: (i) subject to customary exceptions and thresholds (with exceptions for, among others, ordinary course dispositions, dispositions of obsolete or worn-out property, property no longer used or useful in the business and other exceptions to be mutually agreed), the receipt of net cash proceeds by the Borrower or any of its restricted subsidiaries in excess of an amount to be mutually agreed from any disposition of assets outside the ordinary course of business or casualty event by the Borrower or any of its restricted subsidiaries, in each case, to the extent such proceeds are not reinvested (or committed to be reinvested) in the business of the Borrower or any of its subsidiaries

within twelve months after the date of receipt of such proceeds from such disposition or casualty event and, if so committed to be reinvested, reinvested no later than 180 days after the end of such twelve month period; (ii) following the receipt of net cash proceeds from the issuance or incurrence after the Closing Date of additional debt of the Borrower or any of its restricted subsidiaries (other than debt permitted under the Credit Documentation other than Refinancing Indebtedness); and (iii) in an amount equal to 50% of annual Excess Cash Flow (to be defined in the Credit Documentation) of the Borrower and its restricted subsidiaries beginning with the Borrower's fiscal year ending December 31, 2018 with step downs to 25% at 2.25:1.00 First Lien Leverage Ratio of the Borrower and 0% at 2.00:1.00 First Lien Leverage Ratio of the Borrower (with a dollar-for-dollar credit for optional prepayments of the Term B Loan Facility and any Incremental Facility (in the case of any Incremental Revolving Facility, to the extent accompanied by a permanent reduction of the corresponding commitment) subsequent to the first day of the relevant year, in each case other than to the extent financed with long-term debt), in each case of clauses (i) - (iii), subject to the limitations set forth in the paragraph immediately following, such amounts shall be applied, without premium or penalty, to the remaining amortization payments under the Term B Loan Facility in direct order of maturity.

Any Lender under the Term B Loan Facility may elect not to accept its pro rata portion of any mandatory prepayment other than a prepayment pursuant to clause (ii) above (each a "**Declining Lender**"). Any prepayment amount declined by a Declining Lender may be retained by the Borrower (such amount, a "**Declined Amount**").

Mandatory prepayments in clauses (i) and (iii) above shall be limited to the extent the upstreaming or transfer of such amounts from a foreign subsidiary to the Borrower or any other applicable subsidiary would result in material adverse tax consequences until such time as the Borrower or its applicable subsidiary may upstream or transfer such amounts and shall be subject to permissibility under local law of upstreaming proceeds (including financial assistance and corporate benefit restrictions and fiduciary and statutory duties of the relevant directors). The non-application of any mandatory prepayment amounts as a consequence of the foregoing provisions will not, for the avoidance of doubt, constitute a default or an event of default, and such amounts shall be available for working capital purposes of the Borrower and its subsidiaries.

Optional Prepayments:

The Term B Loan Facility may be prepaid at any time in whole or in part without premium or penalty, upon written notice, at the option of the Borrower, except (x) that any prepayment of LIBOR advances other than at the end of the applicable interest periods therefor shall be made with customary reimbursement for any funding losses and redeployment costs (but not loss of margin) of the Lenders resulting therefrom and (y) as set forth in "Soft-Call Premium" below. Each optional prepayment of the Term B Loan Facility shall be applied as directed by the Borrower (and absent such direction, in direct order of maturity thereof).

Soft-Call Premium:

In the event that all or any portion of the Term B Loan Facility is (i) repaid, prepaid, refinanced or replaced with term loan indebtedness with a lower effective yield (to be defined) than the effective yield of such Term B Loan Facility or (ii) repriced through any waiver, consent or amendment that has the effect of reducing the effective yield of the Term B Loan Facility (a “**Repricing Transaction**”), in each case, prior to the six-month anniversary of the Closing Date and other than in connection with a change of control, such repayment, prepayment, refinancing, replacement or repricing will be accompanied by a premium of 1% of the principal amount so repaid, prepaid, refinanced, replaced or repriced. If all or any portion of the Term B Loan Facility held by any Lender is required to be assigned pursuant to a “yank-a-bank” provision in the Credit Documentation as a result of, or in connection with a Repricing Transaction prior to the six-month anniversary of the Closing Date, such Lender not agreeing or otherwise consenting to any waiver, consent or amendment referred to in clause (ii) above (or otherwise in connection with a Repricing Transaction) will be entitled to a premium equal to 1% of the principal amount so required to be assigned.

Security:

Subject to the limitations set forth below in this section and subject to certain other exceptions, the Borrower Obligations, the Guarantees and any interest rate protection or other swap or hedging arrangements, or cash management arrangements, in each case, entered into with a Lender or agent or any affiliate of a Lender or agent (collectively, the “**Secured Obligations**”) will be secured, on a first priority basis, by: (a) a perfected pledge of 100% of each direct subsidiary of the Borrower and of each Guarantor (which pledge, in the case of capital stock of any foreign subsidiary that is a CFC or any Disregarded Domestic Person shall be limited to 65% of the voting capital stock and 100% of the non-voting capital stock of such foreign subsidiary or Disregarded Domestic Person) and (b) perfected security interests in substantially all of the Borrower’s and each Guarantor’s assets, including tangible and intangible personal property of the Borrower and each Guarantor (including but not limited to accounts receivable, inventory, equipment, general intangibles, deposit and securities accounts, investment property, intellectual property, intercompany notes, instruments, chattel paper and documents and proceeds of the foregoing) (the items described in clauses (a) and (b) above, but excluding the Excluded Assets (as defined below), collectively, the “**Collateral**”).

Notwithstanding anything to the contrary, the Collateral shall exclude the following: (i) any fee-owned real property and all real property leasehold interests in real property, (ii) any governmental licenses or state or local franchises, charters or authorizations, to the extent a security interest in any such licenses, franchise, charter or authorization would be prohibited thereby (including any legally effective prohibition) after giving effect to the applicable anti-assignment provisions of the Uniform Commercial Code or other similar applicable law, (iii) pledges and security interests prohibited by applicable law, rule or regulation (including any legally effective requirement to obtain the consent of any governmental

authority) after giving effect to the applicable anti-assignment provisions of the Uniform Commercial Code, other than proceeds and receivables thereof, the assignment of which is expressly deemed effective under the Uniform Commercial Code notwithstanding such prohibition; (iv) margin stock and, to the extent prohibited by the terms of any applicable organizational documents, joint venture agreement or shareholders' agreement, equity interests in any person other than wholly-owned restricted subsidiaries after giving effect to the applicable anti-assignment provisions of the Uniform Commercial Code, other than proceeds and receivables thereof, the assignment of which is expressly deemed effective under the Uniform Commercial Code notwithstanding such prohibition, (v) assets to the extent a security interest in such assets would result in material adverse tax consequences as reasonably determined by the Borrower, (vi) any equity interests in any subsidiary that is a CFC or Disregarded Domestic Person (other than to the extent expressly provided in the previous paragraph), (vii) any intent-to-use trademark application prior to the filing of a "Statement of Use" or "Amendment to Allege Use" with respect thereto to the extent, if any, that, and solely during the period, if any, in which, the grant of a security interest therein would impair the validity or enforceability of such intent-to-use trademark application under applicable federal law; (viii) any lease, license or other agreement or any property subject to a purchase money security interest or similar arrangement permitted by the Credit Documentation to the extent that a grant of a security interest therein would violate or invalidate such lease, license or agreement or purchase money arrangement after giving effect to the applicable anti-assignment provisions of the Uniform Commercial Code or other similar applicable law, other than proceeds and receivables thereof, the assignment of which is expressly deemed effective under the Uniform Commercial Code or other similar applicable law notwithstanding such prohibition, (ix) any segregated funds or accounts held or received on behalf of third parties (other than Borrower or any Guarantor), (x) any equipment or other asset subject to liens securing permitted acquired debt (limited to the acquired assets), sale and leaseback transactions, capital lease obligations or other purchase money debt, if the contract or other agreement providing for such debt or capital lease obligation prohibits or requires the consent of any person (other than the Borrower or any Guarantor) as a condition to the creation of any other security interest on such equipment or asset and, in each case, such indebtedness and prohibition or requirement is permitted under the Credit Documentation after giving effect to the applicable anti-assignment provisions of the Uniform Commercial Code or other applicable law, other than proceeds and receivables thereof, the assignment of which is expressly deemed effective under the Uniform Commercial Code notwithstanding such prohibition and (xi) other exceptions to be mutually agreed upon. The Collateral may also exclude those assets as to which the Administrative Agent and the Borrower reasonably agree that the cost of obtaining such a security interest is excessive in relation to the benefit to the Lenders of the security to be afforded thereby (the foregoing described in the previous two sentences are collectively referred to as the "*Excluded Assets*"). In addition, (a) landlord, bailee or warehouseman waivers or col-

lateral access agreements shall not be required, control agreements shall not be required with respect to any deposit accounts, securities accounts or commodities accounts and no perfection actions other than the filing of UCC financing statements shall be required with respect to motor vehicles and other assets subject to certificates of title, letter of credit rights, except as to which perfection may be accomplished solely by the filing of a UCC financing statement (it being understood that no actions shall be required to perfect a security interest in letter of credit rights, other than the filing of a UCC financing statement), commercial tort claims with a value of less than an amount to be agreed and promissory notes evidencing debt in a principal amount of less than an amount to be agreed and (b) no actions in any jurisdiction other than the United States (or any State or other political subdivision thereof) or Bermuda (solely for purposes of creating and/or perfecting a security interest in equity interests of any entity domiciled in Bermuda to the extent such equity interests are otherwise required to be pledged) or required by the laws of any jurisdiction other than the United States or Bermuda shall be required to be taken to create or perfect any security interests in assets located or titled outside of the U.S. (it being understood that there shall be no security agreements or pledge agreements governed under the laws of any jurisdiction other than the United States or Bermuda).

All the above-described pledges, security interests and mortgages shall be set forth in the Credit Documentation.

The Borrower or any restricted subsidiary will be permitted to incur and/or assume indebtedness in connection with a Permitted Acquisition so long as (i) with respect to any newly incurred indebtedness, (x) the maturity date of such indebtedness is no earlier than 91 days later than the final maturity date of the Term B Loan Facility and any Incremental Facility, (y) such indebtedness requires no mandatory repayment or redemption (other than customary change of control or asset sale offers or upon any event of default) prior to the date which is 91 days later than the latest maturity date of the Term B Loan Facility and any Incremental Facility, and (z) such indebtedness is unsecured or is only secured to the extent permitted pursuant to clause (b) under the heading “Negative Covenants” above, (ii) with respect to as-

sumed indebtedness, such indebtedness is only the obligation of the person and/or person's subsidiaries that are acquired or that acquired the relevant assets and such indebtedness was not incurred in contemplation of such acquisitions, (iii) the Total Leverage Ratio (calculated on a pro forma basis) would not exceed 4.25:1.00 and (iv) before and after giving effect thereto, no default or event of default has occurred and is continuing; *provided* that the aggregate amount of indebtedness that may be incurred under this paragraph by restricted subsidiaries that are not Guarantors together with debt incurred under clause (a)(viii) of the first paragraph under "*Negative Covenants*" shall not exceed an amount to be agreed.

The Borrower or any restricted subsidiary will be permitted to make non-ordinary course of business asset sales or dispositions so long as (a) such sales or dispositions are for fair market value, (b) at least 75% of the consideration for asset sales and dispositions shall consist of cash or cash equivalents (subject to exceptions to be set forth in the Credit Documentation, which shall include a basket for non-cash consideration that may be designated as cash consideration in an aggregate amount to be agreed) and (c) before and after giving effect to such asset sale, no event of default has occurred and is continuing.

The Borrower or any restricted subsidiary will be permitted to make acquisitions of the equity interests in a person that becomes a restricted subsidiary, or all or substantially all of the assets (or all or substantially all the assets constituting a business unit, division, product line or line of business) of any person (each, a "*Permitted Acquisition*") so long as (a) there is no event of default existing at the time of or after giving pro forma effect to such acquisition, (b) the acquired company or assets are in a similar, ancillary, complementary or related line of business as the Borrower and its subsidiaries and (c) subject to the limitations set forth in "Guarantors" and "Security" above, the acquired company and its subsidiaries (other than any subsidiaries of the acquired company designated as an unrestricted subsidiary as provided in "Unrestricted Subsidiaries" below) will become Guarantors and pledge their Collateral to the Administrative Agent. Acquisitions of entities that do not become Guarantors and of assets by entities that are not Guarantors shall not exceed an amount to be agreed.

(c) *Financial Maintenance Covenants*: None.

Unrestricted Subsidiaries:

The board of directors of the Borrower may at any time after the Closing Date designate any restricted subsidiary as an unrestricted subsidiary or any unrestricted subsidiary as a restricted subsidiary; provided that (i) immediately before and after such designation on a pro forma basis, no default or event of default shall have occurred and be continuing and (ii)

immediately after giving effect to such designation or redesignation, the Borrower shall be able to incur at least \$1 of debt under the Total Leverage Ratio test described above under clause (a)(iv) under "Negative Covenants". The designation of any subsidiary as an unrestricted subsidiary after the Closing Date shall constitute an investment by the Borrower therein at the date of designation in an amount equal to the fair market value of the Borrower's investment therein. The designation of any unrestricted subsidiary as a restricted subsidiary shall constitute (i) the incurrence at the time of designation of any investment, indebtedness or liens of such unrestricted subsidiary existing at such time and (ii) a return on any investment by the Borrower or any restricted subsidiary in an unrestricted subsidiary pursuant to the preceding sentence in an amount equal to the fair market value at the date of such designation of the Borrower's investment in such subsidiary. Unrestricted subsidiaries will not be subject to the representation and warranties, affirmative or negative covenant or event of default provisions of the Credit Documentation and the results of operations and indebtedness of unrestricted subsidiaries will not be taken into account for purposes of determining compliance with any financial ratio contained in the Credit Documentation.

Events of Default:

Limited to the following (to be applicable to the Borrower and its restricted subsidiaries only): nonpayment of principal when due; nonpayment of interest or other amounts after a customary five (5) business day grace period; violation of covenants (subject, in the case of affirmative covenants (other than notices of default and maintenance of the Borrower's existence), to a thirty (30) day grace period); any representation or warranty proving to have been materially incorrect when made; cross default to indebtedness of an amount in excess of an amount to be agreed; bankruptcy or other insolvency events of the Borrower or its material restricted subsidiaries (with a 60 day grace period for involuntary events); unpaid or unstayed monetary judgments of an amount in excess of an amount to be agreed; customary ERISA events; actual or asserted invalidity of a material portion of the Guarantees, the security documents or any security interest in Collateral and change of control with respect to the Borrower (to be defined in a customary and mutually agreeable manner).

Assignments and Participations:

Each Lender will be permitted to make assignments in minimum amounts to be agreed to other entities approved by (x) the Administrative Agent and (y) so long as no payment or bankruptcy default has occurred and is continuing, the Borrower, each such approval not to be unreasonably withheld or delayed; *provided, however*, that (i) no approval of the Borrower shall be required in connection with assignments to other Lenders or any of their affiliates or approved funds, (ii) the Borrower shall be deemed to have given consent to an assignment if it shall have failed to respond to a written request within 10 business days of Borrower's receipt of such written request and (iii) no approval of the Administrative Agent shall be required in connection with assignments to other Lenders or any of their affiliates or approved funds. Each Lender will al-

so have the right, without consent of the Borrower or the Administrative Agent, to assign as security all or part of its rights under the Credit Documentation to any Federal Reserve Bank. Lenders will be permitted to sell participations with voting rights limited to customary significant matters. An assignment fee in the amount of \$3,500 will be charged with respect to each assignment unless waived by the Administrative Agent in its sole discretion. Notwithstanding the foregoing, no loans or commitments shall be assigned or participated to (x) the Borrower or any of its subsidiaries (except as permitted below) or (y) any natural person.

In addition, loans under the Term B Loan Facility may be purchased by and assigned to the Borrower or any of its subsidiaries on a non-pro rata basis through (a) open market purchases or (b) Dutch auctions open to all applicable Lenders on a pro rata basis in accordance with customary procedures, in each case, subject to conditions to be set forth in the Credit Documentation, including that (1) no default or event of default has occurred and is continuing, (2) any such loans are permanently cancelled immediately upon acquisition thereof and (3) the Borrower or any such subsidiaries shall either (x) make a representation that it is not in possession of material non-public information with respect to the Borrower, its subsidiaries or their respective securities or (y) disclose to the assigning Lender that it cannot make such representation.

Waivers and Amendments:

Amendments and waivers of the provisions of the Credit Documentation will require the approval of Lenders holding more than 50% of the Term B Loan Facility (the “**Required Lenders**”), except that (a) the consent of each Lender directly and adversely affected thereby will also be required with respect to (i) increases in commitment amount of such Lender, (ii) reductions of principal, interest, or fees payable to such Lender (other than waivers of default interest, a default or event of default or mandatory prepayment); (iii) extensions of scheduled maturities or times for payment of amounts payable to such Lender (it being understood and agreed that the amendment or waiver of any mandatory prepayment, waiver of default interest, default or event of default shall only require the consent of the Required Lenders) and (iv) changes in certain pro rata provisions and the waterfall from enforcement and (b) the consent of each Lender shall be required with respect to (i) releases of all or substantially all of the Collateral or the release of all or substantially all of the value of any guarantees (other than in connection with permitted asset sales, dispositions, mergers, liquidations or dissolutions or as otherwise permitted under the Credit Documentation) and (ii) the percentage contained in the definition of Required Lenders or other voting provisions.

In connection with any proposed amendment, modification, waiver or termination (a “**Proposed Change**”) requiring the consent of all Lenders or all directly and adversely affected Lenders, if the consent to such Proposed Change of other Lenders whose consent is required is not obtained (but the consent of the Required Lenders or Lenders holding more than 50% of the directly and adversely affected facility, as

applicable, is obtained) (any such Lender whose consent is not obtained being referred to as a “**Non-Consenting Lender**”), then the Borrower may, at its option and at its sole expense and effort, upon notice to such Non-Consenting Lender and the Administrative Agent, require such Non-Consenting Lender to assign and delegate, without recourse (in accordance with and subject to customary restrictions on assignment), all its interests, rights and obligations under the Credit Documentation to an assignee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment); provided that, such Non-Consenting Lender shall have received payment of an amount equal to the outstanding principal of its loans, accrued interest thereon, accrued fees and all other amounts then due and owing to it under the Credit Documentation (at the option of the Borrower, with respect to the class or classes of loans or commitments subject to such Proposed Change) from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrower (in the case of all other amounts). The Credit Documentation shall contain other customary “yank-a-bank” provisions.

Notwithstanding anything to the contrary set forth herein, the Credit Documentation shall provide that the Borrower may at any time and from time to time request that all or a portion of any loans under the Term B Loan Facility be converted to extend the scheduled maturity date of any payment of principal with respect to all or a portion of any principal amount of such loans (any such loans which have been so converted, “**Extended Loans**”) and upon such request of the Borrower, any individual Lender shall have the right to agree to extend the maturity date of its outstanding loans without the consent of any other Lender or the Required Lenders; *provided* that all such requests shall be made pro rata to all Lenders within the Term B Loan Facility. The terms of Extended Loans shall be identical to the loans of the existing class from such Extended Loans are converted except for interest rates, fees, amortization (so long as the weighted average life to maturity of the Extended Loans exceeds the then remaining weighted average life to maturity of the Term B Loan Facility), final maturity date or final termination date, provisions permitting optional and mandatory prepayments to be directed first to the non-extended loans prior to being applied to Extended Loans and certain other customary provisions to be agreed.

Notwithstanding the foregoing, each indemnified person shall be obligated to promptly refund and return any and all amounts paid by the Borrower under this paragraph to such indemnified person for any losses, claims, damages, liabilities or expenses to the extent such indemnified person is not entitled to payment of such amounts in accordance with the terms hereof.

Annex II-3

SOLVENCY CERTIFICATE¹

[], 201[]

This SOLVENCY CERTIFICATE (this “*Certificate*”) is delivered in connection with that certain Credit Agreement dated as of [], 2017 (as amended, supplemented, amended and restated, replaced, or otherwise modified from time to time, the “*Credit Agreement*”) among MaxLinear, Inc., a Delaware corporation (the “*Borrower*”), JPMorgan Chase Bank, N.A., as administrative agent and collateral agent, the financial institutions from time to time party thereto as lenders and the other parties thereto. Capitalized terms used herein without definition have the same meanings as in the Credit Agreement.

As of the date hereof, in my capacity as a Responsible Officer of Company (as defined below), and not in my individual or personal capacity, I believe that:

1. Company (as used herein “*Company*” means the Borrower and its subsidiaries, taken as a whole on a consolidated basis) is not now, nor will the incurrence of the obligations under the Credit Agreement and the consummation of the Acquisition on the Closing Date (and after giving effect to the application of the proceeds of the Loans), on a pro forma basis, render Company “insolvent” as defined in this paragraph; in this context, “insolvent” means that (i) the fair value of assets (on a going concern basis) of the Company at a fair valuation is less than the amount that will be required to pay the total liability on existing liabilities as they become absolute and matured, (ii) the present fair salable value of assets (on a going concern basis) of the Company is less than the amount that will be required to pay the probable liability on existing liabilities as they become absolute and matured in the ordinary course of business, or (iii) the Company is unable to pay its current obligations in the ordinary course of business as they generally become due. The term “liabilities” as used in this Certificate refers to the recorded liabilities of the Company as of the date hereof after giving effect to the consummation of the Transactions, determined in accordance with GAAP consistently applied and “values of assets” shall mean the amount that would be obtained by a willing seller if the assets (both tangible and intangible) in their entirety were to be purchased by a willing buyer, with a commercially reasonable period of time, each having reasonable knowledge of the relevant facts, with neither being under compulsion to act.

2. The incurrence of the obligations under the Credit Agreement and the consummation of the other Transactions on the Closing Date (and after giving effect to the application of the proceeds of the Loans), on a pro forma basis, will not leave Company with unreasonably small capital with which to conduct their businesses. I understand that “unreasonably small capital” depends upon the nature of the particular business or businesses conducted or to be conducted, and I have reached my conclusion based on my current assumptions regarding the needs and anticipated needs for capital of the businesses conducted or anticipated to be conducted by Company in light of projected finan-

cial statements and available credit capacity, which current assumption I do not believe to be unreasonable in light of the circumstances applicable thereto.

Annex III-2

IN WITNESS WHEREOF, the undersigned has executed this Solvency Certificate in such undersigned's capacity as an officer of the Borrower, on behalf of the Borrower, and not individually, as of the date first above written.
