Appointment of Chief Financial Officer and Chief Corporate Strategy Officer

On July 2, 2018, MaxLinear, Inc. announced the appointment of Steven G. Litchfield as our Chief Financial Officer and Chief Corporate Strategy Officer, effective as of July 2, 2018. Mr. Litchfield will report to Kishore V. Seendripu, Ph.D., our Chairman and Chief Executive Officer.

Mr. Litchfield, age 49, most recently served as Executive Vice President and Chief Strategy Officer of Microsemi Corporation, a provider of analog and mixed-signal semiconductor solutions that was acquired by Microchip Technology, Inc. in May 2018. Mr. Litchfield served in that position from 2009 until the closing of the acquisition by Microchip. Previously, he served as Microsemi's Vice President, Analog and Mixed Signal Group from 2006 to 2009, as its Vice President, Corporate Marketing and Business Development from 2003 to 2006, and as its Director, Business Development from 2001 to 2003. Prior to joining Microsemi, Mr. Litchfield was an equity research analyst at Banc of America Securities and a production engineer at Toyota Motor Corporation. Mr. Litchfield also serves on the board of directors of several early stage technology companies that are not publicly traded. He holds a Bachelor of Science in industrial engineering from Purdue University and a Masters of Business Administration from the University of Southern California Marshall School of Business.

Compensation Arrangements

Under the terms of his offer letter entered on June 22, 2018, Mr. Litchfield will receive a base salary of \$360,000 per year. Mr. Litchfield will also participate in our previously disclosed Executive Incentive Bonus Plan as filed with the Securities and Exchange Commission (SEC). Subject to the terms and conditions of the Executive Incentive Bonus Plan and subject to satisfaction of performance objectives established by our compensation committee for the 2018 corporate performance period, Mr. Litchfield's target bonus for 2018 will equal 70% of his 2018 base salary. Mr. Litchfield's entitlement to a bonus award for fiscal 2018 will be pro-rated based on corporate and individual performance for the period beginning on July 1, 2018 and ending on December 31, 2018.

In addition, we have agreed to grant Mr. Litchfield an option to acquire up to 306,000 shares of our common stock and restricted stock units with respect to 52,000 shares of our common stock, in each case pursuant to our 2010 Equity Incentive Plan. The shares subject to the option and restricted stock unit awards will be scheduled to vest over four years in accordance with our standard policies, subject to Mr. Litchfield's continued service through the applicable vesting dates. Twenty-five percent of the shares subject to the awards will vest following the first anniversary of Mr. Litchfield's commencement of employment, and the balance will vest over the remaining three years.

We have also entered into a change of control and severance agreement, or severance agreement, with Mr. Litchfield in our standard form for our Chief Executive and Chief Financial Officers. The agreement provides benefits in connection with a termination of employment under specified circumstances, including certain terminations following or shortly prior to a change of control (as defined in the severance agreement).

Under the terms of the severance agreement, if we terminate Mr. Litchfield without "cause" or Mr. Litchfield terminates for "good reason" (in each case as defined in the severance agreement) during the period beginning 90 days prior to a change of control and ending twenty four months after a change of control, he will be entitled to receive a lump sum cash payment equal to twenty four (24) months of his base salary (determined for this purpose based on the greater of his base salary immediately prior to the change in control or at the time of termination); a lump sum payment equal to a pro-rated amount of his target annual bonus for the year immediately preceding the change in control; reimbursement of continued health benefits for up to eighteen (18) months; immediate vesting of 100% of any unvested equity incentive awards; and extended exercisability of any stock options or stock appreciation rights for six (6) months following the termination date (but in no event beyond the original term of the option or stock appreciation right). If we terminate Mr. Litchfield without "cause" or Mr. Litchfield terminates for "good reason" outside the change of control protection period described above, he will be entitled to a lump sum cash payment equal to six (6) months of his then-current base salary; extended exercisability of any stock options or stock appreciation rights for six (6) months following the termination date (but in no event beyond the original term of the option or stock appreciation right); and reimbursement of continued health care benefits for up to twelve (12) months.

If Mr. Litchfield's employment is terminated for any reason other than as previously described, including by reason of death or disability or "cause," then he will not be contractually entitled to receive any severance benefits. Receipt of benefits under the change in control and severance agreement is subject to Mr. Litchfield's executing and not revoking a release of claims in a standard form acceptable to us.

A copy of the press release dated July 2, 2018 announcing Mr. Litchfield's appointment as our Chief Financial Officer and Chief Corporate Strategy Officer is attached hereto as Exhibit 99.1.

The summary descriptions of Mr. Litchfield's offer letter and change of control and severance agreement set forth above do not purport to be complete and are qualified in their entirety by reference to the full text of the offer letter, which we intend to file with the SEC with our Quarterly Report on Form 10-Q for the quarter ending June 30, 2018, and the text of the form of change in control and severance agreement for our Chief Executive and Chief Financial Officers, which we filed with the SEC on February 17, 2016 with our Annual Report on 10-K for the year ended December 31, 2015.

Other Matters

In addition, we and Mr. Litchfield have entered into our standard form of indemnification agreement for directors and executive officers. The form indemnification agreement was filed with the SEC in connection with our initial public offering on November 6, 2009 as Exhibit 10.1 to our Registration Statement on Form S-1 and is incorporated herein by reference. Other than the indemnification agreement described in the preceding sentence, Mr. Litchfield has no direct or indirect material interest in any transaction required to be disclosed pursuant to Item 404(a) of Regulation S-K promulgated under the Securities Exchange Act of 1934, as amended, nor are any such transactions currently proposed. There are no family relationships between Mr. Litchfield and any of our directors or executive officers.

FOR IMMEDIATE RELEASE

MaxLinear Announces the Appointment of Steven Litchfield as its Chief Financial Officer & Chief Corporate Strategy Officer

- Steve Litchfield joins MaxLinear as Chief Financial Officer and Chief Corporate Strategy Officer. Mr. Litchfield previously served as the Executive Vice President and Chief Strategy Officer of Microsemi Corporation.

Carlsbad, Calif. – July 2, 2018 – MaxLinear, Inc. (NYSE: MXL), a leading provider of radio frequency (RF), analog and mixed-signal integrated circuits for the connected home, wired and wireless communications infrastructure, and industrial and multimarket applications, today announced that Mr. Steven Litchfield has been appointed as its Chief Financial Officer and Chief Corporate Strategy Officer.

“I am excited to join MaxLinear and its outstanding management team. MaxLinear is at a critical juncture in its young history as it transforms into a large communications networking technology company. MaxLinear has an established track record of product and technology innovation and I am eager to contribute to building and expanding its business,” said Steven Litchfield, Chief Financial Officer and Chief Corporate Strategy Officer of MaxLinear.

Mr. Litchfield, age 49, most recently served as Executive Vice President and Chief Strategy Officer of Microsemi Corporation, a provider of analog and mixed-signal semiconductor solutions that was acquired by Microchip Technology, Inc. in May 2018. Mr. Litchfield served in that position from 2009 until the closing of the acquisition by Microchip. Previously, he served as Microsemi’s Vice President, Analog and Mixed Signal Group from 2006 to 2009, as its Vice President, Corporate Marketing and Business Development from 2003 to 2006, and as its Director, Business Development from 2001 to 2003. Prior to joining Microsemi, Mr. Litchfield was an equity research analyst at Banc of America Securities and a production engineer at Toyota Motor Corporation. Mr. Litchfield also serves on the board of directors of several early stage technology companies that are not publicly traded. He holds a Bachelor of Science in industrial engineering from Purdue University and a Master of Business Administration from the University of Southern California Marshall School of Business.

“I am excited to have Steve join us as our Chief Financial Officer and Chief Corporate Strategy Officer. Steve’s breadth and depth of leadership experience in strategic planning, mergers and acquisitions, corporate-wide financial planning, and general management roles will prove to be incredibly valuable for us as we continue to scale and transform the diversity of our business” commented Dr. Kishore Seendripu, Chairman and CEO of MaxLinear.

Cautionary Note About Forward-Looking Statements

This press release contains “forward-looking” statements within the meaning of federal securities laws. Forward-looking statements include, among others, statements concerning or implying MaxLinear’s future financial performance, including the

potential growth of its business; trends and opportunities affecting MaxLinear generally; and the ability of MaxLinear's management personnel to contribute to the growth and financial performance of its business. These statements involve known and unknown risks, uncertainties, and other factors that may cause actual results to be materially different from any future results expressed or implied by these forward-looking statements. MaxLinear's business, revenues, and operating results are and will be subject to substantial risks and uncertainties, including (among others) substantial competition in MaxLinear's target markets from larger and more established semiconductor companies; uncertainties concerning how end user markets for MaxLinear's products will develop; market acceptance for new product introductions; MaxLinear's dependence on a limited number of customers for a substantial portion of revenues; its ability to continue to develop and introduce new and enhanced products on a timely basis; and potential decreases in average selling prices for its products. In addition to these risks and uncertainties, investors should review the risks and uncertainties contained in MaxLinear's filings with the United States Securities and Exchange Commission (SEC), including risks and uncertainties identified in its Annual Report on Form 10-K for the fiscal year ended December 31, 2017 and its Quarterly Report on Form 10-Q for the quarter ended March 31, 2018, in each case as filed with the SEC.
